Bedford Education Foundation

The Bedford Education Foundation (BEF) is a community based independent, non-profit 501(c)(3) and non-partisan organization whose mission is to support academic excellence of the Bedford, New Hampshire public schools by raising and providing funds for the benefit of its students. Consistent with this mission, the BEF will raise monies from individuals and businesses through an annual appeal and community events. The BEF channels its funds back to the schools through grants. Teachers, staff and administrators may apply for grants each year. These grants are awarded for programs that support for ongoing professional development and innovative projects that enhance the curriculum and refine teaching practices. BEF provides funds to schools beyond the normal operating budget and solely for programs and activities that will enhance the learning opportunities for students, and enable Bedford teachers to search for effective and creative strategies that ensure every child receives an excellent education. The BEF will not use its funds to replace the taxpayers' responsibilities for funding education.

Camp Allen

Camp Allen provides opportunities for growth, friendship, and fun for children and adults with cognitive and/or physical challenges in an outdoor environment. Of note is the respite that families and caregivers receive from what is often 24/7 care, knowing that their family member is cared for in a safe and nurturing environment.

Our programs consist of sleep over camp, day camp, Peer Work (which is vocational training for teens and young adults), and Life Camp for young adults experiencing independence for the first time.

Camp Allen provides residential and day camping experiences to 600 campers each summer. At Camp Allen, campers experience new and old friendships, music, dance, swimming, fishing, skits, nature walks, physical activities, cultural experiences provided by our staff from around the world, and more. Our campers return year after year and it is not unusual to have campers who have been spending part of their summer with us for 30-40 years.
